Dear All,  
Namaskars.

The students are future Nation Builders. Well groomed students will be the supportive pillars of the nation in almost all the walks of life.

Ramakrishna Vidya Mandir Gwalior is tirelessly serving the nation in that affect by providing various exposures to our students, parents and teachers.

The various ongoing programs briefly depicted here gives little inside in monthly School activities. Psychological Help, Career Counselling, Opportunity to interact with Various Visiting Dignitaries, Teachers Training, Extra Curricular Activities (SUPW), Drawings, Games and Sports, Inter School competitions, Daily Yoga, Meditation, Exposure To Vaidik Mathematics & Sanskrit, Awaken Citizen Program, Adolescence Club, Holistic Health Initiatives, Incubation Center, Various Olympiads etc are few initiatives recently started for the students. All these activities are carried out while completing the school curriculum simultaneously. It reduces boredom among the students and teachers.

ICT is playing an important role in molding the life of students. We have introduced Tata Class Edge online syllabus teaching facility, online e-Tech School Management Software, English Speaking and Listening software are the new initiatives available for the students.

We hope by the grace of Sri Ramakrishna, Maa Sharada Devi & Swami Vivekananda, we will continue to serve student fraternity in a better way.

Online Career Counselling facility is also available in school premises. Its a first in Gwalior city. A student can understand his strength and weaknesses and decide for himself a promising career option for himself in consultation with teachers and parents. This facility is available for students of class 10, 11 and 12.

I appeal to all stakeholders to take the maximum advantage the facilities mentioned above. Other school students can avail this facility.

Regards.

Yours in the service of the Nation.

### About RKVM, Gwalior

is serving through practicalizing Man Making & Character Building Education as envisaged by Swami Vivekananda.

Ramakrishna Vidya Mandir (CBSE) located in Ramakrishna Puri Thatipur Gwalior Madhya Pradesh is a Co-Educational Senior Secondary institution affiliated to the Central Board of Secondary Education (CBSE) on Provisional basis since 1969. The school has been operating officially under the trust/society Ramakrishna Math and Ramakrishna Mission Belur Math. The School

## GURUTWA

This conference is about the Foundational Education, namely, up to the 10th Grade. There is worldwide realization of the serious short comings in the present educational systems. The three qualities that are particularly short, are: Leadership, Innovation and Ethics. From any country's National point of view, these are even more serious deficiencies. India, which wants and has the potential to be at the forefronts of the Global Platform; these Qualities must be prioritized and achieved at a speed to be ahead of all Nations. The education in India is synonymous with getting a job than being at the cutting edge of complete excellence. The complete excellence includes a balanced life at home, a competitive performance at work and a holistic leadership at work and in the society. A human life is too precious not to pursue this dream. The Foundational Education must have a sound foundation of "LIFE".

By "GURUTWA", we mean the teaching and learning coming from the Parents, Teachers, Educationists, Institutions and the Experts with a designed purpose of providing Leadership, Innovativeness, Moral Values(Sanskar) and preparation for the entry into the Professional Institutions. All of this must have appropriate and relevant tools, technology and thought process to fit into needs of BHARAT as a Nation as well as capacity to extrapolate into Global competency.

The purpose of this conference is to bring together Academia, Experts of Training and Technology, Educationists, Industry leaders, representatives of the Government and social leaders. Have them reflect on what, how and why of the GURUTWA. This is an innovative effort and it is the urgent need of the time. Our ambitious conference is expected to proliferate awareness and actions in the right direction of holistic competency and excellence.

TARGETING GLOBAL LEADERSHIP IN EDUCATION AGAIN

## INVITING PARTICIPANTS

Aatmeeya Bandhu,

Team GURUTWA is organizing a Conference with the agenda to work out solutions that can position our Education system globally in a leadership role. In the process, we will also address Key Issues of Education today as mentioned in the attached brochure, and provide the heads of the participating institutions with guiding solutions on these issues. In the Conference, the topics of discussion will be around four key areas, viz.

- ✍ How 'LIFE' (described in the Brochure) can help you address the complex challenges of governing an educational institution, i.e., parent engagement, student attitude, holistic education, etc.
- ✍ Advanced curriculum, teacher empowerment & appropriate learning environment
- ✍ Role of processes and technologies for parent engagement, teacher performance improvement and holistic student development
- ✍ Training and workshops to demonstrate the effectiveness and application of 'LIFE' as an integrated solution to address governance and institutional performance

We invite you to participate in the Conference and leverage innovative solutions for achieving excellence in Education.

For further information, please feel free to contact us.
